

**Mice to meet you, Mickey

Two of the world's most famous and durable cartoon characters are in Melbourne.

Mickey and Minnie Mouse and some of their friends are the stars of *Disney Live! Mickey's Rockin' Road Show*.

The show is in Australia for the first time after a five-year world tour.

During the performances, you can sing along with Cinderella, bounce around with Tigger and even scream “yee-haw” at the hoe-down with Woody and Jessie from *Toy Story*.

Feld Entertainment's managing director Liza Evely-Thompson said the show was perfect for children 10 and under.

“The crowd really gets involved,” Ms Evely-Thompson said.

“People get up off their seats and sing along and dance.”

You can see the Disney characters at Melbourne Convention and Exhibition Centre until Sunday.

Tickets range from \$29.50 – \$37.50.
